**NETELEC**  
ELECTRICAL SUPPLIES

Welcome to Netelec, a 100% West Australian owned and run family business.

ABOUT US

Netelec delivers all supply aspects of the electrical industry with a strong focus on industrial, marine and mining products. Our reputation is built on long term client relationships and a commitment to delivering superior service. With a combined experience in the electrical wholesale industry of over 130 years, our team have the experience, know-how and industry contacts to provide you with the solution you need. We strive to keep procurement on time and your project running smoothly.

Proud owners Daniel Lavery and Klaire Wilson invite you to try the Netelec experience.

OUR REPUTATION

Our reputation is built on consistency; consistency in service, consistency in pricing, consistency in delivery and most importantly constant communication with our clients. We go the extra mile to take care of all your needs. We can find hard-to-source products and meet customer deadlines. Whatever it takes, we are keen to ensure you get the best quality product in the fastest time possible.

SAFETY FIRST

We are committed to managing safety as a high priority in providing a safe, healthy and environmentally sustainable working environment. We regard this as a prerequisite to every task and every employee has an important duty of care and responsibility to ensure that their work is carried out safely and without risk to others or the environment.
